(1) Includes Inpatient and Residential, excludes family care. STARC - Bridgeview & Oakview established 4/22/21. COVID-19 staff reporting commences week of 5/3/21. (2) Number of inpatients and residential clients receiving NYS OMH services on this day.

(3) Number of patients with confirmed, active COVID-19 on this day. 'Active' generally lasts 14 days. (4) Number of new confirmed, active patients added since yesterday.

(5) Number of individuals who have been treated as inpatients or residential clients in NYS OMH State-Operated Psychiatric Centers since March 2020. The cumulative censuses for each facility do not total to the Statewide Cumulative Patient Census due to patients moving between inpatient & residential settings. The Statewide Total is an unduplicated, cumulative number.

(6) Number of de-duplicated inpatients or residential clients in NYS OMH State-Operated Psychiatric Centers who have had confirmed COVID-19 since March 2020.

(7) Number of de-duplicated inpatients or residential clients who have died as a result of confirmed COVID-19 while in the care of NYS OMH State-Operated Psychiatric Centers since March 2020. Includes deaths within the PC or within a medical hospital.

(8) Number of NYS OMH employees on the payroll this week as of October 8, 2021. (9) Number of NYS OMH employees with confirmed, active COVID-19 on this day. (10) Number of confirmed, active COVID-19 cases among NYS OMH employees reported since yesterday.

(11) Cumulative number of NYS OMH employees reported with confirmed COVID-19 cases since March 2020. This number undergoes regular auditing and values may change.

(12) Cumulative number of NYS OMH employees reported as deceased due to COVID-19 since March 2020.
